Invitation

MTU Suppliers Day in Israel

December 7th, 2011 at the DAN Tel Aviv Hotel

The ICA in collaboration with the Israel Export & International Cooperation Institute and Israel Manufacturers Association are pleased to invite you to attend the first Suppliers Day with the German based MTU Friedrichshafen Co. on December 7th, 2011 at the DAN Tel Aviv Hotel, 99 Hayarkon St.

MTU is one of the world's leading manufacturers of large diesel engines and complete propulsion systems. Together with its power generator systems manufacturer MTU Onsite Energy, MTU is one of the leading brands in the Tognum Holding Organization.

MTU product range is the widest and most modern in this field. It covers diesel engines as well as complete propulsion systems for ships, heavy construction and agriculture machines, rail and military vehicles, and for the oil and gas industry.

In Israel MTU products are used in the defense and power generation markets and in order to develop further the cooperation MTU is looking for suitable suppliers in Israel that can produce parts, components and other services that MTU needs.

Agenda for Supplier Day:

08:45 – 09:00 **Registration**

09:00 – 09:15 **Opening remarks**

09:15 – 12:00 **Introduction of MTU:**
